

MUHAMMAD ARHAM KHAN

Frontend Developer • Full Stack • AI-Integrated Web Apps

Karachi, Pakistan • karham937@gmail.com • [linkedin.com/in/arham-khan-dev](https://www.linkedin.com/in/arham-khan-dev) • github.com/MuhammadArhamKhan-Dev

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Flexbox, Responsive Web Design, Async/Await

UI / UX Design: Figma, component-driven design, user-first interfaces

Backend & APIs: Django, FastAPI, REST APIs, Python

AI / ML: LangChain, Agentic AI, OpenRouter (LLM integration)

Tools: Git, GitHub, VS Code, Vercel, Netlify, Render

PROJECTS

AI LangAssist — React.js, FastAPI, LangChain, OpenRouter [\[Live\]](#) [\[GitHub\]](#)

- ▶ Built a full-stack AI language assistant — React.js frontend, FastAPI backend, LangChain for LLM orchestration — live and deployed on Vercel.
- ▶ Designed an intuitive, responsive UI with seamless async communication between the frontend and AI backend.

Thread — Clothing Brand Website — HTML5, CSS3, JavaScript [\[Live\]](#) [\[GitHub\]](#)

- ▶ Designed and built a complete frontend for a clothing brand — hero section, product cards, pricing layout, and fully responsive — deployed on Vercel.
- ▶ Applied UI/UX principles including visual hierarchy, clean typography, and cohesive brand identity for a polished user experience.

Countris — REST API Countries Explorer — React.js, REST APIs [\[Live\]](#) [\[GitHub\]](#)

- ▶ Built a React.js SPA with search, filter, dark mode toggle, and client-side routing — deployed on Netlify.
- ▶ Applied component-driven architecture and responsive design for a smooth cross-device experience.

EXPERIENCE

Full Stack Developer (Collaborator) | *Independent Project*

Dec 2025 – Mar 2026

- ▶ Built interactive data visualizations using JavaScript and Chart.js for a web dashboard.
- ▶ Integrated Django REST APIs to connect frontend UI with backend data services.
- ▶ Collaborated using Git for version control and asynchronous team coordination.

EDUCATION

B.E. Computer & Information Systems Engineering | *NED University of Engineering & Technology*
2023 – 2027

- ▶ CGPA: 3.38 / 4.00
